

Invitation

YOUNG INVESTIGATORS' WORKSHOP

Career Development & Networking

PRELIMINARY KEY HIGHLIGHTS

- Networking: Forge international and long-lasting connections
- Career Development: Learn from experienced professionals and experts
- Meeting Representatives: Engage with industry and academia leaders
- Peer Discussions: Exchange ideas and discuss the latest research
- Scientific Speed-Dating: Expand your network in a dynamic environment
- Grant Writing: Gain insights on successful grant applications

A unique opportunity to extend your stay in Vancouver after the 2023 IEEE NSS/MIC/RTSD.

Group leaders and principal investigators, support your young researchers in attending this enriching event!

Get on the email list, by sending your name, institution, and main interests to: rbayerlein@ucdavis.edu
